

RaiseRight™

Helpful Information for using RaiseRight™

RaiseRight™ cards may be purchased as physical or digital cards. Digital cards may be purchased as gifts with a means to notify the recipient electronically.

Visit the site

Visit the site and get some idea of what sort of cards are available: www.raiseright.com If you like what you see, there is a Sign-Up option at the top of the screen. Or, use the link below.

Establish an Account

To establish an account with RaiseRight™ go to this enrollment page which has our organization code already embedded: <https://www.raiseright.com/enroll?enrollCode=LLQU1ERM18YS>
You may skip the optional fields.

You may also establish your account using the app, which may be downloaded to your phone or tablet. Use the St. Peter's Enrollment Code to get started: LLQU1ERM18YS.

If you intend to purchase digital cards for your own use in person (vs. online shopping), the app will be necessary.

Link a Bank Account

Purchases may be made using a credit card, ACH withdrawal from your bank account, or by check (paid to St. Peter's). *Please note that if paying by check there will be a significant time delay in receiving your cards**.

Link a bank account or credit card to your RaiseRight™ account before making purchases:

Click on **Account** in the menu bar and then select **Settings**. When the page is displayed, select the **Settings** tab and then **Payment Options** on the left side of the screen. Click **Link a Bank Account** and follow the instructions. You may need to log into your bank to allow third party access for this portion of setting up your payment options.

Shop!

Once your account is established you may make purchases from any of the brands on the website. For digital purchases, your card is available for immediate use. Specials occur regularly and offer some excellent increases in return!

FAQs:

- The amount we earn varies by card, but anything is helpful!
- Not all retailers allow all types of cards. For example, Stop & Shop is only a physical card, but Target is both and you can reload.
- Some digital cards may not be reloaded.
- The amount of the card varies by retailer and can vary depending on whether you purchase a physical card or a digital card.
- You will be charged a service fee of \$.29 for each bank account purchase and 2.6% for a credit card purchase. (Charge is per order, not per card.)
- We recommend having physical cards shipped to you directly. There is a \$.50 charge for this.
- We will place our order for the physical cards every two weeks, depending on the number of orders. It will take a week to 10 days to get the cards, which are delivered to the church. The church is charged a FedEx overnight fee.
- We will transfer 10% of our earnings to SPOT (Outreach).

*When paying by check your order won't be processed until the check clears our bank. From that point, if you ordered a physical card, it may be several weeks before we receive the card at the church, and then it can take several days to get the card to you. Cards mailed to the church also incur a higher shipping fee (FedEx overnight), which diminishes the amount of income the church receives.
